

## REFRIGERATOR TRUCK ROLLING ACCESS PLATFORM

**Provides fall protection during routine maintenance and inspection of refrigeration units on small- to medium-sized trucks.**

### Features:

- Adjustable platform height (12" adjustability in 4" increments)
- Large platform to perform work from (24"W x 120"L)
- Serrated tread surface offers excellent slip resistance and drainage properties
- Ladders on both sides for dual access
- Snap chains at entry/exit points and on refrigeration unit access opening
- Designated lifting point for using rope and bucket to bring tools or parts from ground to platform
- Reinforced lifting points on each ladder at 4th step to accommodate adjustability using standard engine puller
- Powder coated safety yellow (adjustable legs orange powder coat)
- Ships in 3 pieces (1 platform & 2 ladders), assembly required
